

Career Scavenger Hunt

Note: This activity can be used as a family activity, individually or in groups to help children start thinking about careers. You can use the internet to help you answer these questions. See the suggested career planning websites listed in this book.

	Questions	Career Interest 1	Career Interest 2
1	What is the name of the career?		
2	What skills/knowledge is needed?		
3	What training or education is needed?		
4	How much money can you make?		
5	What are the job duties or tasks?		
6	What licenses or certifications are needed?		
7	What is the working condition or environment like (i.e. work outside or inside, in an office)?		
8	What are some other careers or jobs similar to this one?		
9	Does this match your interest and personality?		
10	Do you still want to pursue this career? Why or why not?
